## Youth FAST Courses

We're thrilled you're interested in our FAST courses during spring break. Whether you'd simply like to experience the wonders of figure skating or quickly learn additional skills, join us!

### Days, times and costs

Monday, February 23  
09:00 - 10:00

Tuesday, February 24  
09:00 - 10:00

Wednesday, February 25  
09:00 - 10:00

The cost is €40 for the 3-day FAST course. This does not include admission to the ice rink or any skate rentals.

Individual crash course days are €16 per day.

### What does the FAST course for youth figure skating entail?

Many members are skating at KSV Haarlem this winter for fantastic, fun figure skating lessons. The accelerated course is an extension of these lessons, but more intensive, with multiple sessions per week to help you progress even faster. The groups are also very small for optimal progress.

Ideal for members who already have figure skating lessons but want to take it a step further or for newcomers who want to get acquainted with figure skating.
